

Egg Shackling 21st February 2023
Parents and children are invited to

Egg Shackling

To celebrate Shrove Tuesday
2:30pm in school

This is a tradition only found in this small corner of Somerset. Raw chicken eggs are rolled together until some crack and break. Damaged eggs are removed until one egg remains, the winner, this is then cracked to prove that it is raw!

Children:

Please bring a **raw** chicken's egg to school on the morning of 21st February. Your egg will need your name written clearly on the shell. Sharpies are good for this. Your egg should be in a container that keeps it safe from cracking.

Parents:

Please wait outside school until you are let in. You will be shown where to go.

We look forward to seeing you.
