Together We Flourish

4th September 2024

Dear Parents/Carers,

We believe that shared reading time is the most valuable way to support your child's learning, and books and stories are doors and windows to creativity, research and thinking skills.

To encourage a love of reading, your child will bring home a book that they can read to you or with you, a book of their choice from the book corner, and one of the 100 recommended books. They will keep the levelled reader for several days, so that they can be fluent and expressive when reading at home. The other books can be changed as often as they wish.

We will record the books in their reading record and if you would like to comment on how they enjoyed the reading, or their favourite bits – that would be brilliant.

We want to make reading a fun, satisfying time – not a chore – and generate interest and discussion about different texts.
