Head's Update...

Dear Parent and Carers,

I cannot believe how quickly this term has gone and we are only 2 weeks from half term! The last two weeks have been filled with amazing maths, creative writing and lots of learning in history. KS2 are looking forward to their trip to Glastonbury Abbey next week and we are busy organising our KS1 trip for after half term.

Attendance – There has been lots of success with attendance at Shepton Beauchamp school so far this year. Thank you to all our families who support us with this as we know it makes a real difference to children's successes as a learner and builds their social interactions and life skills. We know that higher attendance in school supports children in academic success and broadens their life chances. We will be updating families on their children's attendance regularly following our attendance policy and supporting those children and families who are finding this trickier. As a school, we are here to support so please come and talk to us if there are any concerns.

There are lots of different events in school over the next few weeks and we look forward to seeing you all.

Best wishes,

Kirsy Luffman
Head of School

sessions every Thursday
at 9am.

Mrs Luffman is available for any parent to drop in to see her without the need for an appointment. Please do feel free to use this session to answer any queries you may have.

Friday Family Assemblies

Come and join us every Friday at 2.45pm.

School Council

We are excited to announce that our Shepton Beauchamp school council representatives are:

Phoenix: Issy, Dylan

Gryphon: Daisy and Martha

This year, we are going to be focusing on how we can support the environment and become more eco-friendly. The school council will be investigating what we already do towards to support this and what our next steps will be. We look forward to sharing these with you during the year.

If you would like to support or have any links to being more eco-friendly, please let us know.

Phoenix Class News

Phoenix class have been enjoying some creative lessons! In Art we have been exploring primary and secondary colours. The children loved mixing with paints and recently created colourful artwork with primary and secondary colours. In Music we have listened and learned to sing a South African song called Hands, Feet, Heart. The children learned some notes on the glockenspiel and practised following notes on the screen to play along with the song!

Gryphon Class News

Gryphon class have finished the story of how to live forever, and have had some fantastic debates on if they would want to live forever or not rethinking the pros and cons. We will be sharing some of our writing with you soon. Today, we will be building sukkahs for RE and collecting sticks and twigs from our school grounds to help create them.
