Head's Update....

Dear Parents and Carers,

It has been a fantastic term! I have great news to share with you all for future developments at our school. With careful management of the school budget, we have been able to fund £20,000 of improvements for our playground.

Our works will include a fenced decking area for Coles class, a new artificial grass area and resin bound path around our new decking. We will also have two permanent goals/basketball hoops installed on the playground.

These improvements are due to be installed during the summer and we are also hopeful our window replacement programme will also be completed.

On a sad note, Miss Hornby will be leaving us today for a new career opportunity. We hope to see Miss Hornby back with us for cover in the future. Mrs Cann, our Lunchtime Play Leader will be stepping up to take over Miss Hornby's Teaching Assistant duties in Seymour Class.

I wish you all a super half-term break and enjoyment for the Jubilee festivities.

Please remember we return to school on Tuesday 7th June.

Best wishes,

Connel Boyle

Seymour Geography Rivers Study Field Trip to the Magdalen Project

What an amazing Geography Field Trip to the Magdalen Project near Chard this week.

Our river study included classifying wildlife, measuring depths and observing water quality.

It was amazing to put into real life action what we have been learning about in the classroom for our Rivers project.

Investigating our Church

We have been investigating why our Church is important to Christians. This week, Father Geoff helped us investigate the importance of the Wedding Ceremony.

We hope you like our wedding photo!
Martha was walked down the aisle by Alfie (Father of the Bride), accompanied by Iris and Ruby (Bridesmaids).

She joined Archie (Groom), Stan and Aaron (Best men) and Father Geoff at the altar. It was a beautiful service and the congregation enjoyed the moment enormously.
